

# Paper Quilling Classes

Quilling or Paper Filigree, as it is sometimes called, is the art of creating intricate shapes from strips of paper that blossom into exquisite designs. Quilling can be used in scrapbooking, greeting cards, accenting frames, gift boxes and much more!

## **Beginning Paper Quilling**

Saturday, May 2  
9:00am-1:00pm

The instruction in this class will cover basic techniques for general quilling and each participant will leave with a finished product.

Class covers the history of paper filigree, the use of different tools, lots of hands on practice, and useful tips and hints to help you get hooked on this fabulous art form.

### **Cost**

**\$30/residents**

**\$32/non-residents**

Cost of supplies included. All students will receive a quilling board, coil template, needle tool, slotted tool, one pack of multi-colored strips, and cards for projects

**Registration Deadline: April 27**

**Register @ the Greenwood Community Center**

**Classes held @ the Greenwood Community Center**
